

Thipawan Nananuwat, *Audit Partner*

- ▶ Khun Thipawan has been with Ernst & Young's Audit Department for nearly 27 years, having joined in 1982, and has been a partner with the firm over ten of those. Serving clients in various industries, she has focused very strongly on audit practice, and has become a specialist in the manufacturing, trading, hospitality, real estate, and entertainment industries, with particularly extensive experience of the latter. She serves as auditor to a significant number of SET- listed companies.
- ▶ Khun Thipawan has both Bachelor of Accountancy and Master of Accountancy degrees from Thammasat University, and is a Certified Public Accountant (Thailand).

Supachai Phanyawattano, *Audit Partner*

- ▶ 24 years' experience of auditing, with a varied portfolio of both Thai and multinational clients, including comprehensive exposure in the manufacturing, real estate and construction, trading and service sectors, and considerable experience with SET listed companies.
- ▶ Khun Supachai's work has included extensive involvement in due diligence exercises, and management consultancy work, in a wide range of industries. He also has extensive experience with tax audits and information systems reviews. A Certified Public Accountant (Thailand), he has also been a guest speaker for the Institute of Certified Accountants and Auditors of Thailand and universities.
- ▶ He is an accounting graduate of Kasetsart University, and also has a master's degree in management from Sasin Business School of Chulalongkorn University:

Siraporn Ouanunkun, *Audit Partner*

- ▶ Ms. Siraporn joined Ernst & Young after graduation in 1984. In her years with the firm's Audit Department, she has worked on a wide range of audit tasks, especially in the manufacturing, hotel and construction/ real estate industries, with substantial experience in and knowledge of food and consumer product manufacturers and trading companies. She has also tended to focus on medium-sized companies which are oriented strongly towards export markets, such as frozen seafood and jewellery. She is auditor to a number of public companies.
- ▶ Earlier in her career with the firm, Ms. Siraporn worked extensively on transaction advisory and information systems assignments in the accounting field (both design and implementation) especially in the hotel industry, and has also conducted due diligence exercises for acquisition purposes.
- ▶ Ms. Siraporn has a bachelor's degree in Accounting from Chulalongkorn University, and a Master of Accountancy from Thammasat University. She is also a Certified Public Accountant (Thailand).
